

How to Register with USA Rugby

USA Rugby video demonstration for registering: <https://usa.rugby/members>

1. Go to <https://myaccount.rugbyexplorer.com.au>
2. Create Your New Account - If possible, please use the same email address you had with SportLomo. This will help connect you with your membership history.
If needed, the original registration should be as the "parent account."
3. Made sure that Rugby Region says "**USA Rugby**"
4. Log into your new RX Account
5. Register for your club
6. Click "**Register**" in the left-hand column than click "**Find a Club**"
7. Select the proper you are trying to register.
8. If needed, you can add additional profiles by "link a new person" at the bottom of the list.
9. Enter your Club Name: "**Thunder Rugby**" - A list of clubs should populate below.
Please ensure that the club listed shows "Southern California (SoCal)" as part of the description. Clubs from multiple regions might have the same name.
10. Select your role
 - Those who need to register under multiple roles should complete this for one registration and then complete it again for the additional role.
 - All registration types will be "Youth & High School."
 - All durations will be "season."
11. Complete the additional steps for your information including adding needed photos.
